

# Investor Report

By Christa Love

## Investment Portfolio Holdings

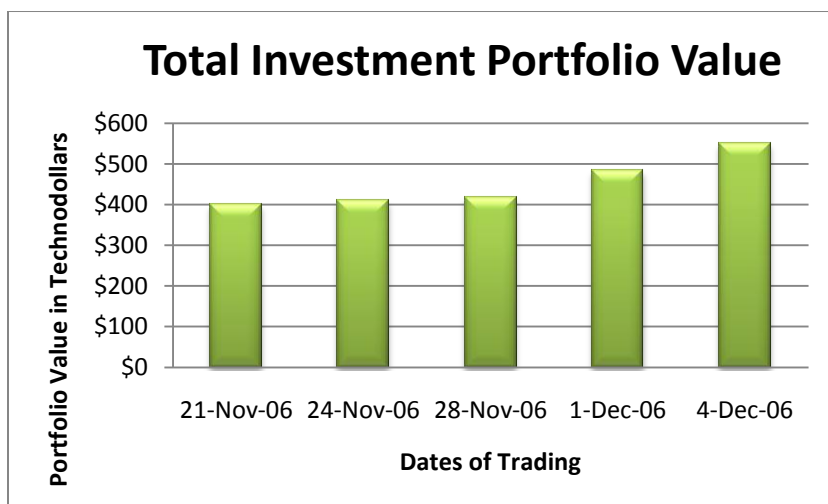

The investment portfolio contains the following stocks 3 Future Link, 3 Kids Bank, and 3 TechnoAir shares. Future Link's stocks are 55 technodollars, Kids Banks shares are 53 technodollars, and TechnoAir is trading at 73 technodollars.

## Investment Portfolio Value

The investment portfolio contains 165 technodollars in Future Link stocks, 159 technodollars in Kids Bank shares, and 219 technodollars in TechnoAir holdings. In cash there is 18 technodollars. In total the portfolio is worth 561 technodollars.

## Earning History

The initial investment of 400 technodollars has gradually grown. Each trade it earned more money. In total it has grown 161 technodollars.

## Future Plans for Investment

I have tracked the growth of the Future Link stock. The prediction of it increasing to nearly 50 technodollars a stock have come true as the share is now worth 55 technodollars. We will continue to hold this share.
