

Assignment 9: Web Page Organizer

You are now ready to make your own web page that has fun links for kids.
To make this web page you need to:

- pick two topics
- find two websites for each topic
- bookmark each website
- record the information for each website including the title, URL, and a description
- find a picture for each website

Complete the Web Page Organizer

Topic One:

About Website 1	
Website Title:	_____
Website Address:	http:// _____
Website Description:	<div style="border: 1px solid black; height: 80px; width: 100%;"></div>
Picture:	I have saved a picture in the <i>Images</i> folder. <input type="checkbox"/>

About Website 2	
Website Title:	_____
Website Address:	http:// _____
Website Description:	<div style="border: 1px solid black; height: 80px; width: 100%;"></div>
Picture:	I have saved a picture in the <i>Images</i> folder. <input type="checkbox"/>

Topic Two:

About Website 1	
Website Title:	_____
Website Address:	http:// _____
Website Description:	<div style="border: 1px solid black; height: 80px; width: 100%;"></div>
Picture:	I have saved a picture in the <i>Images</i> folder. <input type="checkbox"/>

About Website 2	
Website Title:	_____
Website Address:	http:// _____
Website Description:	<div style="border: 1px solid black; height: 80px; width: 100%;"></div>
Picture:	I have saved a picture in the <i>Images</i> folder. <input type="checkbox"/>

SAMPLE

Optional Instructions:
There are instructions for how to bookmark a web page, view bookmarks, and save a picture on the next few pages.
