

K-12 Projects

Grades K-3 Primary

Grades 3-6 Junior

Grades 6-9 Intermediate

Grades 8-12 Senior

TECHNOkids[®]

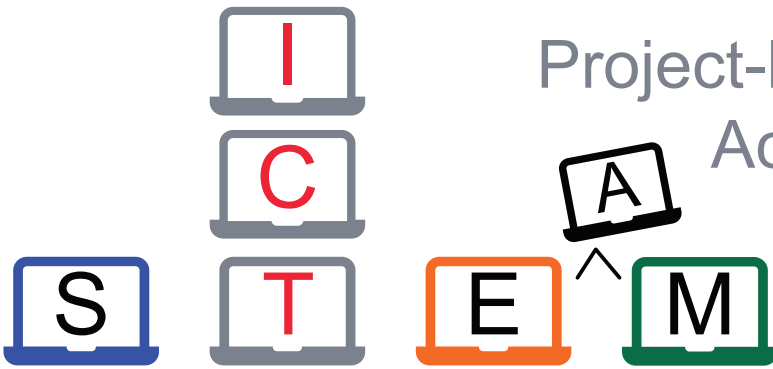

COMPUTER CURRICULUM

Each project has a teacher guide, workbook, and resources.

INTEGRATE TECHNOLOGY

Lessons apply an inter-disciplinary approach to learning.

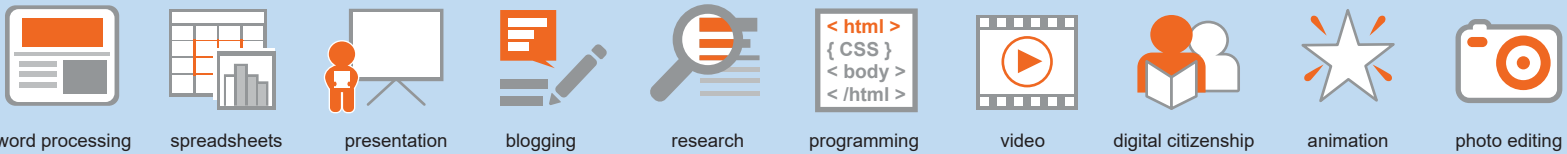

Project-Based Activities

My students and I have enjoyed all of the projects I bought from you! They are wonderful!

P. Parker, Teacher
Harts Bluff ISD, Texas

DEVELOP Technology Skills

The curriculum is great!
Everything is readily available.

J. Selver, Teacher
Teleos Christian School, Bahamas
