

## TechnoBlog – Responsible Digital Citizenship

Instructions:

1.  Read each piece of advice to learn how to comment appropriately. Place a checkmark beside each item after you have discussed it.
2.  Circle the piece of advice that will be the easiest for you to follow.
3.  Star the piece of advice that may be the most difficult for you to follow. This is an area where you will need to pay extra attention when commenting.

Students sign an agreement to comment on blogs responsibly.

### Commenting pledge:

- ✓ inspires self-reflection
- ✓ explains how to comment
- ✓ promotes accountability
- ✓ builds responsibility

I agree that you will comment responsibly.

nt

### Commenting Advice

- Be polite.
- Write comments that reflect you in a positive way.
- Only write something you would say in person.
- Stay on topic.
- Be clear.
- Avoid sarcasm.
- Be concise.
- Assume everyone can read your comment.

### Be a Responsible Digital Citizen

I \_\_\_\_\_ will be a responsible digital citizen when blogging.
