Write a bake sale report using data from earlier assignments.

Bake Sale Report

TechnoSchool is having a bake sale to raise money for a school trip. This sale is going to be a big success!

Cookies are going to be sold at the bake sale. This is because they are most popular among the students.

There are going to be many chocolate chip and chocolate flavored cookies because these are the most liked. However there will only be a few gingerbread and oatmeal cookies because these flavors are not as

Include a chart and graph of survey results.

The goal is to earn \$89 from the b

This goal was determined because it is the average money earned from past sales.

State the purpose of the bake sale.

em will be sold e 275 customers

at the sale. We need to sell 300 items to reach or exceed our goal.

We need many cookies. Each person in the to the sale one dozen items.

Include details of the sale.

The sale is going to be held at lunch time in the front foyer.
