

## Use Skills to Complete the Slide

Complete the first scene in your story.  
Use text boxes and callouts to explain what is happening.

### ▷ Use your skills to create the scene:

- Fill objects with color.
- Set the line style.
- Format the font.
- Set the font size.
- Apply a font style.
- Change the text color.
- Insert an image.
- Draw a callout.

Complete the Extension  
Activity 2 *Picture Workshop* to  
learn to recolor and crop  
images.

Story Making

- ✓ Any shape can have text added
- ✓ Use shapes to draw objects in the scene
- ✓ Use the text box to describe the action
- ✓ Show your scene to a friend – is there enough information to understand what is happening?

Story making tips guide  
students through the writing  
process.
