

SUPER DOG SAVES THE DAY!

Inspire writers to use their imaginations for storytelling.

Create a digital story in the style of a cartoon or animated comic strip using Google Slides or PowerPoint.

Super Hero

Learn more about TechnoToon

The bank in TechnoVille has just been robbed!

Use text boxes to describe the story events.

Arff. Never fear! Super Dog is on the case. My super sniffer thinks he went that-a-way!

Use callouts to express what characters are saying or thinking.

Mu-ha-ha that was so easy! They will never catch me.

Animate the slide objects to sequence events and enhance storytelling.

It is Barry the Burglar - a known crook! The chase is on!

Insert a slide background that provides a fitting backdrop for a scene.

Oh No! I think Super Dog is on to me!!

Include transitions between slides to divide the story action.

Arff! I am getting close. My super sniffer will find him.

CAPTURED!

Dagnabit, foiled again!
I will escape you next
time Super Dog!

Emphasize the story action using
starbursts or word art.

Arff!
Crime does
not pay!

Learn how to format shapes and
images to create scenes.

Super Dog with his super sniffer saves the
day!
